

Harrasing phone calls from NCO Graphics 410 986 0085 on my phone line. My home phone number was given out erroneously by someone else. I have REPEATEDLY asked them so cease such activity. I have talked to their managers, but to no avail. They insult me and continue calling from 8 AM untill 10 PM, with an average 8 to 12 calls a day. This includes Sundays at 8 AM.

Short of a lawsuit on my part, I ask the FCC to stop these harrassing phone calls.
